Dear Nicholas,
I'm sorry, Communications spots are scheduled in advance to be on the agenda. Therefore, we cannot take you tomorrow. Our next opening is July 13th. Commissioner Fritz will be absent and the rest of Council is currently scheduled to be present.

Can you make it July 13th?

Greetings,

On the 6/22 council agenda, it looks to me like there are some open spots for general testimony in the AM.

Could you please add me to the communications agenda to talk about the potential for city action on air quality regulation?

Thanks in advance,
