Mayor Hales,
Granted your staff writers may think this reads well on paper, I respectfully disagree with Whereas #4.

Whereas, it's important we ensure that our national, state and **LOCAL PARKS, PUBLIC LANDS; (TERMINAL I)** and public waters (**BULLRUNWAIVER.ORG whoops**) remain relevant to all Americans — **especially when METRO is expecting to welcome 260,000 newcomers moving to here 2035)**

For Portland's Older Americans it is getting harder to grow old in place with increasing water and utilities.

As always,
Mary Ann Schwab, Community Advocate
