

IMPACT STATEMENT

Legislation title: * Authorize an Intergovernmental Agreement with Metro for Regional Illegal Dumping (RID) Patrol services (Ordinance)
Contact name: Aubrey Lindstrom
Contact phone: 503-823-0364
Presenter name: AC Robert Day

Purpose of proposed legislation and background information:

The purpose of the proposed legislation is to contract with Metro to remove solid waste at camping sites established by homeless individuals on public property, to be performed by inmate work crews supervised and provided under contract to Metro by the Multnomah County Sheriff's Office (MCSO) and the Oregon Department of Corrections (ODOC).

Financial and budgetary impacts:

None, Metro does not charge for this service.

Community impacts and community involvement:

Illegal dumpsites attract rats, insects, and other vermin which may also pose a health risk. There is also a high risk of physical injury from items with dangerous protruding nails or sharp edges in addition to possible harmful chemicals or other hazardous materials. This service will reduce these risks.
