Purpose of proposed legislation and background information:

On July 1, 2015, City Council appointed members of the Socially Responsible Investments Committee to terms of either one or two years. The committee is completing its first recommendations and report, which are due to City Council by October 1, 2016. The terms of two current members of the committee expired July 1, 2016. As Mayor, I request that Council extend those two expiring terms so the committee can complete its work on the recommendation due by October 1, 2016, and present the recommendations to Council when we consider them in November or December of this year.
