

EXHIBIT A
BALLOT TITLE

CAPTION (10 words):

Temporary 6-Cent Per Gallon Vehicle Fuel Tax

QUESTION (20 words):

Shall Clackamas County adopt a seven-year, 6-cent-per-gallon motor vehicle fuel tax dedicated to road maintenance projects?

BALLOT SUMMARY (175 words):

The measure imposes a temporary 6-cent-per-gallon tax on motor vehicle fuel sales within Clackamas County. The tax revenues must be used as required by the Oregon Constitution for construction, reconstruction, improvement, repair, maintenance, operation and use of public roads and streets within the county. The tax is estimated to raise approximately \$9 million per year. The County will use 60 percent of the net revenue for specific County road paving and safety projects, and will distribute the remaining 40 percent of the net revenue to supporting cities in Clackamas County to use for their own transportation projects. To be eligible to receive fuel tax revenues, a city must have entered into an Inter- Governmental Agreement with the County prior to September 1, 2016. A list of county projects and their estimated costs can be found at <http://theroadahead.us/>.

The tax is implemented in March 2017 and will expire seven years after the implementation date. The County will adopt an ordinance for the administration of the motor vehicle fuel tax and establish and implement licensing requirements.
