Subject: PSC Fossil Fuel Terminal Zoning Amendments

Please amend the proposed draft to reflect the city's fossil fuel goals:

- Enact a full ban on all new fossil fuel terminals, large or small. An exception for new facilities that are 5 million gallons or less is unnecessary. The City's code changes should not allow more unit trains of dangerous fossil fuels like Bakken crude oil.
- Strengthen restrictions on expansions allowed at existing terminals by adding binding limits as well as criteria for safety and climate impacts in the City's non-conforming use review process.
- Prevent any aggregate increase in fossil fuel infrastructure in Portland.

Thank you, Jeffrey A. and Betsy L. White, 42852 SW Dudney Avenue, Forest Grove,
OR. 97116
