

ORDINANCE No. 187977

Amend fee schedule for the Office of Neighborhood Involvement Noise Control Program (Ordinance)

The City of Portland Ordains:

Section 1. The Council finds:

1. The Office of Neighborhood Involvement's Livability Programs provide tools and resources to improve community livability and safety. The Noise Control Program works to improve neighborhood livability by enforcing noise regulations and issuing variances for events and activities that cause more noise than normally allowed.
2. The fees charged by the Office of Neighborhood Involvement for Noise Variance Permits partially fund the Noise Control Program but does not provide full cost recovery for the critical service of enforcing Title 18 Noise Regulations.
3. In FY15-16, the Noise Office experienced an increase of approximately 18% in variance applications received.
4. The amended fee schedule in Exhibit A includes a 15% increase to all Noise fees, with the exception of Administrative Review Appeal Fees, which have been repealed under guidance of the Auditor's office to make appeals to the Code Hearings office more accessible.
5. The Noise Review Board, which is composed of community and industry representatives, reviewed and supported the fee changes referenced in this ordinance.
6. The changes to the fees provided in Exhibit A are required to reach the budgetary goals of the Noise Office for Fiscal Year 2016-17.

NOW, THEREFORE, the Council directs:

- a. The Fee Schedule attached as Exhibit A to this ordinance shall be effective 30 days after Council adoption of this ordinance.
- b. Exhibit A to this ordinance is adopted as binding City policy.
