

RESOLUTION .

RESOLVED: That we, the Common Council, view with concern the unsafe condition of sidewalks in the various portions of our City; that we consider that we are powerless to reach by any means within our jurisdiction, property holders who refuse upon notice to repair defective sidewalks; that we are of the opinion that Section 175 of the City Charter vests the exclusive control over the repairs of defective sidewalks in the Board of Public Works; that we respectfully call the the attention of the Board of Public Works to the dangerous condition of numerous sidewalks in all parts of the City; and that we invite the Board at some future day to meet with us and consider a plan whereby the sidewalks of this City may be maintained in a safe condition; and

That the Auditor be instructed to mail a copy of this resolution to the Board of Public Works with our earnest request that it receive its consideration.

**Resolution
Relative to the condition of
sidewalks in the City of
Portland.**

RESOLVED: That we, the Common Council, view with concern the present condition of sidewalks in the various portions of our city, that we consider that we are powerless to reach by any means within our jurisdiction, property holders who refuse upon request to repair defective sidewalks; that we are of the opinion that Section 175 of the City Charter vests the exclusive control over the repairs of defective sidewalks in the Board of Public Works; that we respectfully call the attention of the Board of Public Works to the dangerous condition of numerous sidewalks in all parts of the City; and that we invite the Board at some future day to meet with us and consider a plan whereby the sidewalks of this City may be maintained in a safe condition; and

That the Auditor be instructed to mail a copy of this resolution to the Board of Public Works with our earnest request that it receive its consideration.
