

IMPACT STATEMENT

Legislation title: Accept a grant in the amount of \$ 4,538,856.00 and authorize an Intergovernmental Agreement with Oregon Department of Transportation for design, right-of-way and construction of the NE Columbia Blvd: Cully Blvd & Alderwood Rd project. (Ordinance)

Contact name: Winston Sandino, PBOT Project Manager

Contact phone: 503-823-5767

Presenter name: Winston Sandino, PBOT Project Manager

Purpose of proposed legislation and background information:

This IGA will accept a grant and certify the City of Portland Bureau of Transportation (PBOT) to design and acquire right-of-way for the NE Columbia Blvd: Cully Blvd & Alderwood Rd project through the certification program.

Financial and budgetary impacts:

The project has been awarded \$4,538,856 in Multimodal Transportation Enhance Program (MTEP) to the Port of Portland. This IGA will not create new positions.

Community impacts and community involvement:

This area within the project limits is 100% commercial mix or industrial and we have maintained a close communication with the adjacent business owners during the planning phase.

PBOT has communicated with the community and business owners during the pre-development and design phase.

PBOT will coordinate and meet with the Freight Committee to give updates on the project design and will continue to communicate during the construction phase closely with property owners as well.
