To Whom it May Concern,

I am requesting the opportunity to speak to the council regarding the feeding of squirrels in Portland. My neighborhood in particular is overrun by squirrels, and now has a rat problem because of the feeding of these animals on a daily basis by a neighbor. No amount of pleading, explanations, etc. has altered his behavior.

I have spoken with Chris at Vector Control and he has informed me that we have no ordinance in town regarding the feeding of animals. I would like to discuss the possibility of an ordinance at the September 28th meeting.

Thank you.

Sincerely,

Vicki Tracey
