Nate, please contact Sue Parsons, Council Clerk to verify that you will speak on behalf of Empower Portland on 3/15/2017 at 9:30am (Communications) before City Council (at the Portland Building) instead of me, and cc: Karla Moore-Love. You may do this by hitting "reply all."

The topic will remain the same -- forget how it's worded, but EMS Delivery Policy Improvement....

I will then verify the change.

Also, Sue advises me that we can bring downloaded video on flash drive.

Sue, I forgot if there are software compatibility issues we need to be mindful of or if most video file types work with the technology at The Portland Building.

Thanks everyone! You are always great to interface with and very much appreciated.
