Hi Karla,

I'm writing to see how to best communicate quickly with the commissioners. I've spent some time in city hall, yet I haven't testified.

I am organizing a civic education workshop, and would like to partner with someone in city hall. It will be a non-partisan, coalition led event, which teaches people who want to make an impact how they can do it in local politics. People need to know they can make more of an impact than just posting on Facebook or protesting.

For a full description of my proposition, you can read this blog post: (<5 min read) <http://www.helpersunited.co/2017/02/24/civic-education-workshop/>

How can I best bring this idea in front of the commissioners?
