SUBJECT: Recognize 2017 Fire Prevention Poster Contest Winners

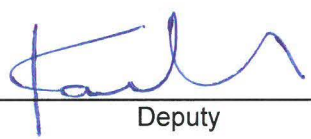

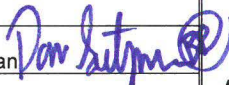

The goal of Portland Fire & Rescue's Prevention Division is to save lives, property, and the environment by preventing fires before they start. The Prevention Division works to reduce the frequency and severity of fires and other life-safety incidents through a multi-disciplinary approach that includes education, engineering, and enforcement. The Prevention Public Education team offers targeted community outreach programs that are developed and implemented through our local schools, community organizations and events, and in the fire stations.

This past October, during Fire Prevention Week, Portland area school children were invited to participate in a fire prevention poster contest. The contest helps spread the word on critical fire safety messages and encourages fire safety in the home, school and community. A winner from each of the two age categories was selected by Fire Chief Mike Myers for their creativity and fire prevention message.

Portland Fire & Rescue wishes to recognize and congratulate, **Elva McGuinness-Patterson**, 3rd grade student at Vestal Elementary, and **Persey Nolan**, 4th grade student at Buckman Elementary, for their excellent submissions to the poster contest.
