Permit

Sir:

We interviewed Mrs. Russell, age 40, Born in Placeville Calif., resident of Portland 25 yrs, has practiced physio reading as a hobby for about 15 yrs. Her husband has been dead about 7 years and she has a daughter age 10. Mrs. Russell is applying for this permit to enable her to support & educate her daughter. She has no police record in our files. The references all speak well of Mrs. Russell and we see no reason why this permit should not be granted.

Honorable Mayor Riley and City Commissioners  
of the City of Portland

Gentlemen:

I hereby petition you to grant me a permit to give private  
psychic readings.

I find it necessary to ask this privilege because it is my  
only way of making a living. I am very deaf, and have a  
ten year daughter to support, also myself. I have lived  
in Portland nearly all my life. I am very proficient in  
the art of psychic reading.

I am submitting with petition, personal letters of recom-  
mendation from four resident property owners, all of whom  
are well acquainted with me and have known me for at least  
ten years.

Yours respectfully,

*Dolores Russell*
