Amend regulations for trees not impacted by development and establish appeal procedures for trees in development situations. (Ordinance; amend Code Title 11)

Contact name: Tim Crail

Contact phone: 503-823-3988

Presenter name: Emily Sandy

Purpose of proposed legislation and background information:

The purpose of this legislation is to clarify that a development permit is always required before removing trees in a development situation; and that trees may only be removed if there is development with ground disturbance that impacts one or more trees.

Financial and budgetary impacts:

With the exception of staff time spent on drafting changes for Council action and implementation there is no financial or budgetary impact of this ordinance.

Community impacts and community involvement:

No community involvement was conducted in development of this ordinance. Community impacts relate to clarity of applicable regulations when trees are not impacted by development, and clarity of appeal avenues for trees in development situations.

100% Renewable Goal:

This ordinance has no impact on the City's renewable energy use.
