Dear Mr. Aebi,

Thank you for meeting with me this morning to discuss what the Planning & Sustainability Commission is working on in the Portland community to address the South Portland Addressing Project.

I wanted to let you know that I am fully committed to collaborate with the City of Portland in order to make this more efficient for our membership.

Please let me know how I can assist in the future and I look forward to the improvements. Feel free contact me at 503-517-7281, or you may reach me by email at kpollack@themac.com.

Sincerely,
