Susan,

Thanks! I sent an email asking Linda and Michael to send in their requests. You might also hear from Andree Tremoulet requesting time on the 7th. She is working with us as well, but I didn't know if she would want to, or be available to, testify. She is a professor at PSU and has done years of work on affordable housing.

Happy New Year!

Hello Maryhelen,
Happy New Year~
Our first opening is March 7th. Will that work for you three? We'll need Linda and Michael to send us individual requests. So far Comm Fish is scheduled to be present that day.

Subject: Scheduling public testimony

Karla,

I would like to schedule 3 slots for public testimony at an upcoming Council meeting. The three of us would be: Linda Nettekoven, Michael Molinaro and myself. We have a project we would like to comment on in regard to alternative housing for houseless individuals. I would like to make our testimony when Commissioner Fish would be present. I understand there are some days he has scheduled not to be at Council. There is no immediate rush so we can wait until we can all be on the agenda.

Let me know if you need an further information.

I hope you are having a good start to 2018!
