Re: Street Renaming Postcard Survey Results for SW Stark Street

1. Background

As required by City Code Section 17.93.040 D., this office is reporting to the Planning and Sustainability Commission the results of the street renaming postcard surveys for SW Stark - the proposed street specified in the application submitted to the City Engineer by the Harvey Milk Street Project Committee.

Survey mailings were mailed to legal owners and occupants of properties abutting SW Stark on April 2, 2018. As required by Code, postcards were due to the Auditor no later than 30 days, or 5:00 p.m., May 3, 2018, to be tabulated and reported to the Planning and Sustainability Commission.

In addition to the survey postcard, survey mailings contained: basic information on the street renaming process; and information on upcoming hearings of the Planning and Sustainability Commission and City Council (complete mailer example attached to this memo).

The tear-off survey postcard provided recipients the opportunity to mark their support or opposition to the proposed street renaming. The SW Stark survey is shown on Page 2 of this memo as an example.
