## ORDINANCE No. 132219

An Ordinance amending Chapter 1.06 of Title 1 of the Code of the City of Portland, Oregon by adding thereto a new section to be numbered 1.06.020 to provide for a change in color requirements for the City flag when it is in miniature size and when it is being displayed outdoors from a pole or staff.

The City of Portland ordains:

Section 1. The Council finds that there has been a negative response to display of the City flag by citizens of the City of Portland and that elimination of the requirements for a canton and seal on the official flag, when it is of miniature size or when displayed outdoors from a pole or staff, would substantially decrease the cost of the flag and thereby hopefully stimulate its use; that this change has been recommended by the Portland Art Commission by and through its Chairman, Richard Norman; that, therefore, Chapter 1.06 of Title 1 of the Code of the City of Portland, Oregon hereby is amended by adding thereto a new section to be numbered, entitled and to read as follows:

## Chapter 1.06 OFFICIAL FLAG

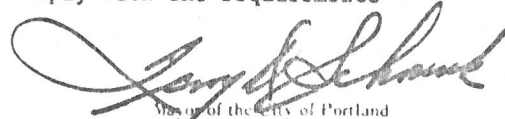

\* \* \*

Section 1.06.020 Requirements for the Official Flag of the City When Displayed Outdoors from Pole or Staff and for Miniature Flags Wherever Displayed.

(a) When displayed outdoors from a pole or staff, the City flag and miniature copies thereof, wherever displayed, may eliminate the canton of blue and the seal of yellow required in Section 1.06.010, and the green of the remaining field may be substituted for the blue canton and the yellow seal. Except for miniature flags, this exception will not apply to a flag displayed inside a building or used for parade purposes.

(b) Miniature Flag Defined. A miniature flag is not to exceed 9" in length and all proportions in relation to the length must comply with the requirements of Section 1.06.010.
