

Office of Mayor Ted Wheeler  
City of Portland

May 9, 2018

As Mayor and Commissioner of Finance & Administration, I request Council confirmation of the following reappointments to the Development Review Advisory Committee (DRAC).

**Reappointments**

<u>Name</u>	<u>Membership Category</u>	<u>2<sup>nd</sup> Term</u>
Maxine Fitzpatrick	Low-Income Housing Developers	February 12, 2018 – February 11, 2021
Jennifer Marsicek	Design Professionals	March 19, 2018 – March 18, 2021
Justin Wood	Home Builders	April 16, 2018 – April 15, 2021

**Maxine Fitzpatrick** is the Executive Director of Portland Community Reinvestment Initiatives (PCRI), a Portland non-profit that manages a portfolio of over 700 units of affordable housing and focuses on helping low-income families achieve stability and self-sufficiency. Maxine was honored to receive the Urban League of Portland's 2016 Equal Opportunity Award in recognition of her work to ensure access to affordable housing for all.

Statement from Maxine Fitzpatrick:

*"I work in affordable housing and feel that I bring that perspective to the Board, one that also connects to City of Portland's equity agenda. As a community development corporation director, I work hand and hand with the City of Portland to deliver vital housing services to households that earn 80% and below the area median income. I have worked in housing development since 1985 and during this time, received national recognition for my work."*

**Jennifer Marsicek** has 20 years' experience in the field of architecture, and is presently with Scott Edwards Architecture. She has worked on a wide variety of development projects, from single- and multi-family residential to retail, government, non-profit, and tenant improvement. Jennifer also has significant community involvement experience, volunteering with PBOT Active Transportation and serving with the PDC on the Fremont/MLK Vision Committee and the MLK Advisory Committee. In addition, she served for 3 years as the King Neighborhood Association Land Use Co-Chair.

Statement from Jennifer Marsicek:

*"I am interested in helping to shape the development of the city. As an architect I do this on a small, site specific basis daily, but serving on this committee expands that involvement."*

**Justin Wood** has over 15 years' experience as a home builder with Fish Construction and has served as an officer for both the Oregon and National Home Builders Associations. Justin has also served as a community volunteer, including building homes with Habitat for Humanity and Homes for Our Troops.

Statement from Justin Wood:

*"In my capacity as a homebuilder and the part time government affairs director of the Home Builders of Metro Portland, I have contributed to many of the codes and policies which shape the development code which we build under in Portland. Being a part of DRAC is the natural cycle for me to continue to monitor and work on issues as they arise for the development community."*

Respectfully submitted,

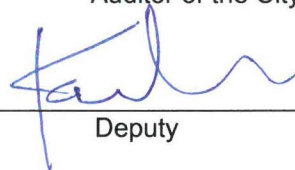

Ted Wheeler  
Mayor
