#### Bicycle Classifications (Stage 2)

- SE 44th Ave between SE Tenino Street and SE Harney Street was erroneously labeled a City Bikeway. A portion of SE 44th Ave between SE Umatilla Street and SE Harney Street has been vacated and does not provide connectivity. With SE 45th a City Bikeway, staff recommend removing the City Bikeway classification on SE 44th Ave between SE Tenino Street and SE Harney Street.
