**Purpose of proposed legislation and background information:**

The Portland Police Bureau (PPB) requested the creation of a represented classification in order to support sworn police officers in non-emergency situations and provide a visible, community-based police support function to enhance the PPB’s service to the public. The Bureau of Human Resources (BHR) has worked with PPB to develop the Public Safety Support Specialist classification. This classification should be effective June 4, 2018 and will be represented by the Portland Police Association.

**Financial and budgetary impacts:**

There is no cost to create this classification. Twelve Public Safety Support Specialist positions were approved in the 17/18 budget. The total cost for all twelve positions is \$649,459.

**Community impacts and community involvement:**

This action is largely internal to City government processes.
