

Safe Routes to School Project Planning

The benefits of Safe Routes to School

BUILDS COMMUNITY

FOSTERS INDEPENDENCE

RELIEVES CONGESTION

INCREASES ACTIVITY

IMPROVES SAFETY

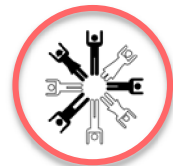

ENHANCES PERFORMANCE

Proposed resolution:

- **Adopt Primary Investment Routes** for Safe Routes to School
- Direct integration of routes **into the Portland Transportation System Plan (TSP)** through the Pedestrian Plan
- Direct PBOT staff to use the project list to **guide TSP Program investments** and develop a funding strategy

Equity is the guiding factor in our program delivery and sharing of resources
