Statement for City Council:

We, as residents of the Portland Heights neighborhood and nearby, respectfully request the following:

Any modification of allowances/restrictions on development of the historical Strohecker's Grocery property should not be approved by the Portland City Council until Portland Heights neighbors have been consulted and allowed a meaningful opportunity to review any development proposal.

Such proposal should recognize the distinctive character of the neighborhood, address the need to restore a retail grocery and community space, mitigate possible parking and traffic impacts and preserve the integrity of the adjacent Portland Heights Park.
