

[E.H.-C]

To the Hon. the Mayor
and Common Council
of the City of Portland,

Gentlemen:

We understand the Gee King
Loy Co. would represent that they
are the owners of a leasehold
estate and of the improvements of
lot 3 no. 19 in the City of Portland,
but they own no other property whatever,
that they were assessed on said
property the sum of \$3200.

That they applied on the 1st of March
to pay their taxes at the office
of the City Treasurer to pay their
taxes, and were told that the
amount was \$9 which they
paid and received therefor
the annexed receipt marked
"A". That afterward they
had to pay to the Chief of Police
taxes on the whole amount
of their property which they
also are got receipt marked
"B". Thus they are out \$9 on
double taxes, which they humbly
pray you will refund.

Respectfully
Gee King Loy
