Hon. George L. Baker,
Mayor, Portland, Oregon

Dear Sir;

On behalf of the soldier boys enroute to Camp Lewis, who were so splendidly entertained by the people of Portland, I wish to extend to you and the citizens of Portland, the sincere thanks of their families and the citizens of Vallejo.

As Portland was my boyhood home and I still have relatives there, I feel a personal pride in every good deed done by your worthy city.

Yours very Sincerely,

Robert B. Dempsey M.D.
