

RESOLUTION No. 37396

Adopt the Central City in Motion Parking Supply and Demand Management Strategies Report. (Resolution)

WHEREAS, The Central City, already home to the densest concentration of people and employment in the state, is expected to add tens of thousands of new residents and jobs by 2035; and

WHEREAS, Central City in Motion will build new or improve existing transit, pedestrian, and bicycle infrastructure to increase the transportation system's capacity, safety, and accessibility for all users; and

WHEREAS, there is specific policy direction for increasing the number of people walking, bicycling and using transit, including The Portland Plan, Central City 2035 Plan, Comprehensive Plan, and Climate Action Plan; and

WHEREAS, there is specific policy direction for managing parking to achieve the City's mode split objectives and to encourage safety, economic vitality, and livability; and

WHEREAS, the recently adopted Central City 2035 plan and the Parking Management Manual provide new tools and opportunities for managing on-street parking and using existing off-street parking resources more efficiently; and

WHEREAS, parking remains an important aspect of business operations in the Central City;

NOW, THEREFORE, BE IT RESOLVED, that the City of Portland adopts the Central City in Motion Parking Supply and Demand Management Strategies and

BE IT FURTHER RESOLVED, that the City of Portland direct the Portland Bureau of Transportation to pursue the strategies documented in the accompanying report in tandem with implementation of Central City in Motion.
