Moisture Sensitive Wood Framing Moisture Content Form

I, Jessie Coyle, am the general contractor or the owner/builder at the following address:

Street Address 7610 SE Wasby St

City Portland State OR Zip Code 97215

Permit No.: 17-255853 Jurisdiction: _____

Subdivision/Lot: _____ and/or Map and Tax Lot: _____

To conform with the 2014 Oregon Residential Specialty Code (ORSC), Section R318.2, I am notifying the building official that I am aware of the moisture content requirement of ORSC Section R318.2 and have taken steps to meet this code requirements.

Section R318.2 Moisture Content. Prior to issuance of the insulation/vapor barrier approval required by R109.1.5.2 of this code.

- (A) All moisture-sensitive wood framing members used in construction shall have a moisture content of not more than 19 percent of the weight of dry wood framing members.
- (B) The general contractor of the owner who was issued the structural permit shall notify the building official on a division approved form that the constructor or the owner who was issued the structural permit is aware of and has taken steps to meet the requirement in paragraph (A).
