Purpose of proposed legislation and background information:

Purpose of Agenda Item:

Extend the terms of four members of the Planning and Sustainability Commission through May 31, 2019.

History of Agenda Item/Background:

The Planning and Sustainability Commission (PSC) is composed of 11 volunteer members with expertise in a range of areas. Four members have terms expiring in January 2019, and I would like to see them finish the work they've been heavily involved with for the Better Housing by Design and Residential Infill projects completed before their positions are reviewed.

Financial and budgetary impacts:

There are no financial or budgetary impacts.

Community impacts and community involvement:

The PSC has specific responsibility for the stewardship, development and maintenance of the City's Comprehensive Plan, Climate Action Plan and Zoning Code. By holding public hearings and discussing issues and proposals, the PSC develops recommendations to City Council in hopes of creating a more prosperous, educated, healthy and equitable city. Having a diversity of opinions is critical for the Commission to make thoughtful and informed recommendations.

The application process and information is available on an ongoing basis via ONI. Anyone with an interest in the PSC positions is welcome to apply.
