TO THE COUNCIL:

On September 16, 2015, Council approved Ordinance Number 187340 for Procurement Services to competitively solicit the East Portland Active Transportation to Transit Project in accordance with PCC 5.34. The Chief Procurement Officer has advertised and received bids for Bid Number 00001003 on behalf of the Portland Bureau of Transportation (PBOT), with a project construction estimate of \$3,076,274.36. PBOT rated the project estimate confidence level as optimal.

Bids were opened on November 15, 2018, and six (6) bids were received. The low bid from Brix Paving Northwest, Inc., was responsive to the solicitation requirements, thus it is recommended that Brix Paving Northwest, Inc. bid be accepted at the estimated unit prices quoted for a total bid amount of \$2,515,322.75.

Ordinance No. 179568 authorized PBOT to participate in Oregon Department of Transportation's (ODOT) Local Public Agency Certification Program for the delivery of federal-aid projects. On June 29, 2011, ODOT's Director informed the Mayor that PBOT had successfully completed the requirements to become fully certified, and City Council accepted ODOT's certification acknowledgement by Ordinance No. 184710. This is a federal-aid transportation project under the ODOT Federal-Aid Highway Program. Under ODOT's certification, this project will be reviewed and audited by ODOT for federal-aid project compliance.

Part of the certification is that ODOT shall administer on behalf of the City, ODOT's Disadvantaged Business Enterprise (DBE), Equal Employment Opportunity (EEO), and On-The-Job Training (OJT) programs. As such, ODOT establishes the minimum DBE goals for each federal-aid project in compliance with 49 CFR 26. The criteria used in assigning project goals includes: project location, size, duration, dollar value, and the availability of DBE firms that can perform identified subcontracting opportunities. This project has a 9% DBE goal. ODOT deemed Brix Paving Northwest, Inc. to be responsive to the DBE requirement. Brix Paving Northwest, Inc. has a committed DBE participation goal of 17.74%. State based certifications other than DBE are not reported in Federal Aid projects.

Brix Paving Northwest, Inc. is located in Tualatin, OR, and is not a State of Oregon Certified D/M/W/ESB Contractor. They have a current City of Portland Business Tax Registration and EEO Certification and are in Full Compliance with the City's contracting requirements.

An Equal Opportunity Employer

To help ensure equal access to programs, services and activities, the Office of Management & Finance will reasonably modify policies/procedures and provide auxiliary aids/services to persons with disabilities upon request.

Funds are available for this project under Owner Cost Center T000383.

It is recommended that Performance Bond and Payment Bonds, each at 100% of the contract amount, be furnished by the Contractor.

The bid sureties of the remaining bidders should be returned immediately in compliance with Section 5.34.410D of the City Code.
