1. Under such authority, State and Agency agree to Agency delivering **Brentwood-Darlington bike/ped improvements**, hereinafter referred to as "Project." Project includes sidewalk infill on both sides of SE Flavel and Duke Streets between SE 52nd Avenue and SE 82nd Avenue, neighborhood greenway design treatment on SE Ogden Street connecting the existing north-south bicycle network facilities between SE 52nd Avenue and SE 87th Avenue, 'sharrow' pavement markings, speed bumps, stop sign reorientation and crossing improvements at SE 82nd and 72nd Avenues, and a new pedestrian/bicycle connection from SE 87th and SE Flavel to the Springwater Corridor pedestrian bike trail. Agency shall be responsible for all remaining costs, including any non-participating costs, all costs in excess of the federal or state funds, and the 10.27 percent match for all eligible costs. Any unused federal or state funds obligated to this Project will not be paid out by the State, and will not be available for use by Agency for this Agreement or any other projects. "Total Project Cost" means the estimated cost to complete the entire Project, and includes any federal funds, state funds, local matching funds, and any other funds. Agency will report the final cost of each phase of the Project at the completion of each phase, as well as the Total Project Cost at the end of the Project, to the State's Regional Local Agency Liaison.
3. Federal funds under this Agreement are provided under Title 23, United States Code.
4. If State performs work on the Project, State will provide Agency with a preliminary estimate for the cost of State's work. Prior to the start of each Project phase, State will provide an updated estimate of State's costs from that phase to Agency. Such phases generally consist of Preliminary Engineering, Right of Way, Utility, and Construction. Agency understands that State's costs are estimates only and agrees to reimburse State for actual cost incurred per the Terms of this Agreement.
5. Agency shall make all payments for work performed on the Project, including all construction costs, and invoice State for one-hundred (100%) percent of its costs. State shall reimburse approved Agency invoices at the pro-rated federal share of 89.73 percent. All costs beyond the federal and state reimbursement and any non-participating costs are the responsibility of the Agency, and will not be reimbursed by State. State shall invoice Federal Highway Administration (FHWA) and Agency for work provided as part of the Project. Agency agrees to reimburse State for work performed for the project upon receipt of invoice. Failure of Agency to make such

payments to State may result in withholding of Agency's proportional allocation of State Highway Trust Funds until such costs are paid. Agency understands that State's costs are estimates only and agrees to reimburse State for the actual amount expended.

6. Agency guarantees the availability of Agency funding in an amount required to fully fund Agency's share of the Project.
7. This Agreement is subject to the terms and provisions of the Local Agency Certification Program Agreement.
8. Information required by 2 CFR 200.331(a)(1) shall be contained in the USDOT FHWA Federal Aid Project Agreement for this Project, a copy of which shall be provided by State to Agency with the Notice to Proceed.
9. Indirect Cost Rate.
 - a. As required by 2 CFR 200.331(a)(4), the indirect cost rate(s) for this project at the time the agreement is written is 76.76%. This rate may change during the term of this Agreement upon notice to ODOT and ODOT's subsequent written approval.
 - b. If the approved rate(s) change(s) during the term of this Agreement, Agency shall invoice ODOT using the current indirect cost rate(s) for the project on file with ODOT at the time the work is performed. If Agency does not have approved indirect cost rate(s) on file with ODOT at the time the work is performed, Agency shall invoice ODOT using a zero percent (0%) rate.
10. Agency Work on this Project:
 - a. Agency shall perform the following functional areas in which Agency is fully certified and as authorized by the Local Agency Certification Program Agreement:
 - design (excluding bridge design)
 - "advertise, bid, and award" the construction contract

 - b. While Agency is in the process of transitioning from conditional to full certification, by the terms of this Agreement and for only this Project, Agency is authorized and shall perform as if fully certified in the following functional area(s):
 - consultant selection (formal and informal processes)
 - bridge design

Agency understands that this Project is subject to the terms and conditions of the Local Agency Certification Program Agreement and may also be subject to the terms of a corrective action plan and increased monitoring if ODOT's evaluation

of Agency's test project(s) or program documents identifies the need for corrective action.

11. RESERVED

12. State will submit the requests for federal funding to the FHWA. The federal funding for this Project is contingent upon approval of each funding request by FHWA. Any work performed outside the period of performance and scope of work approved by FHWA will be considered nonparticipating and paid for at Agency expense.

14. State considers Agency a subrecipient of the federal funds it receives as reimbursement under this Agreement. The Catalog of Federal Domestic Assistance (CFDA) number and title for this Project is 20.205, Highway Planning and Construction.

19. State and Agency Agree that the useful life of the Project is 20 years.

20. By signing this Agreement, Agency agrees to comply with the provisions of the Federal Funding Accountability and Transparency Act (FFATA) and is subject to the following award terms: <http://edocket.access.gpo.gov/2010/pdf/2010-22705.pdf> and <http://edocket.access.gpo.gov/2010/pdf/2010-22706.pdf>. If, in the preceding fiscal year, Agency received more than 80% of its gross revenues from the federal government, those federal funds exceed \$25,000,000 annually, and the public does not have access to information about the compensation of executives through reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 or section 6104 of the Internal Revenue Code of 1986, Agency shall report the total compensation and names of its top five executives to State. available for expenditure, including any available contingency funds or other available non-appropriated funds, up to the amount received under this Agreement.

31. State and Agency hereto agree that if any term or provision of this Agreement is declared by a court of competent jurisdiction to be invalid, unenforceable, illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the Parties shall be construed and enforced as if the Agreement did not contain the particular term or provision held to be invalid.
32. Agency grants State the right to enter onto Agency right of way for the performance of duties as set forth in this Agreement.

Each copy of this Agreement so executed shall constitute an original.
35. This Agreement and the Local Agency Certification Program (Certification Program) Agreement No. 30890, as amended and all attached exhibits constitutes the entire agreement between the Parties on the subject matter hereof. In the event of conflict, the body of this Agreement and the attached Exhibits will control over Project application and documents provided by Agency to State. There are no understandings, agreements, or representations, oral or written, not specified herein regarding this Agreement. No waiver, consent, modification or change of terms of this Agreement shall bind either party unless in writing and signed by both Parties and all necessary approvals have been obtained. Such waiver, consent, modification or change, if made, shall be effective only in the specific instance and for the specific purpose given. The failure of State to enforce any provision of this Agreement shall not constitute a waiver by State of that or any other provision. Notwithstanding this provision, the Parties may enter into a Right Of Way Services Agreement in furtherance of the Project.

Background on FFATA requirements

The Federal Funding Accountability and Transparency Act (FFATA) was signed on September 26, 2006. The intent of the Act is to empower every American with the ability to hold the government accountable for each spending decision. The end result is to reduce wasteful spending in the government. The FFATA legislation requires information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website, which is www.USASpending.gov.

Definition of compensation

Your organization is considered a subrecipient of federal funds. Unless your organization is exempt, FFATA requires you to report total compensation for each of your five most highly compensated executives for the preceding completed year. Total compensation means the cash and non-cash dollar value earned by the executive during the subrecipient's preceding fiscal year and includes the following: salary and bonus; awards of stock, stock options, and stock appropriation rights; earnings for services under non-equity incentive plans; change in pension value; above-market earnings on deferred compensation which is not tax-qualified; and other compensation as defined in 2 CFR Part 170, Section 170.330(b)(5)(vi).

More detailed information about the FFATA can be found at: <http://edocket.access.gpo.gov/2010/pdf/2010-22705.pdf>
