Presenter name: Sara Boone, Deputy Chief

Purpose of proposed legislation and background information:
The purpose of this ordinance is to authorize a purchase order with Hughes Fire Equipment, Inc. for the purchase of four enforcer pumpers.

Financial and budgetary impacts:
Funding for this project is entirely covered by Portland Fire & Rescue’s (PF&R) 2018-2019 capital budget for apparatus replacement and PF&R’s apparatus replacement reserve.

Community impacts and community involvement:
This acquisition will benefit the entire community by replacing aging fire apparatus with new and more efficient apparatus.

100% Renewable Goal:
The use of alternative fuel sources for fire apparatus is an emerging technology that has not yet met the safety and reliability requirements of the National Fire Protection Association. The new apparatus will be 2019 EPA emissions compliant and will replace 20+ year apparatus that have no emission controls.
