

Exhibit A**GRANT AGREEMENT NO.**

This is Grant Agreement ("Agreement") is between the CITY OF PORTLAND, OREGON ("CITY" OR "GRANTOR") and PolicyLink OR "GRANTEE") in an amount not to exceed \$10,000. This Agreement may refer to the City and Contractor individually as a "Party" or jointly as the "Parties."

RECITALS:

In 2018 PolicyLink launched the All-In Cities Anti-Displacement Policy Network (ADPN) in response to the growing crisis in U.S. cities of low-income households and communities of color being displaced out their neighborhoods and cities. Composed of local leaders from ten cities across the country, the network is advancing new ideas while building the power, voice, and capacity of communities directly impacted by displacement in defining challenges and advancing solutions.

Portland is a member city of the ADPN. The Portland team is composed of local leaders, including staff from the offices of Mayor Wheeler and Commissioner Eudaly, city staff from the Bureau of Planning and Sustainability, Portland Housing Bureau, and Prosper Portland, and community leaders from the Community Alliance of Tenants and Portland State University. The Portland team is committed to implementing the anti-displacement policies adopted in the 2035 Comprehensive Plan that were championed by the Anti-Displacement PDX coalition, a coalition of community based organizations working on equitable community development issues.

As a part of PolicyLink's work to strengthen the ADPN network they serve as a clearinghouse for members to share best practices and create peer-learning opportunities. This work can include visiting member cities to better understand the existing local racial disparities, government's role in maintaining and exacerbating those disparities, and capture the lessons learned and examples of new approaches being taken to preventing displacement. The Bureau of Planning and Sustainability is providing a grant to PolicyLink for a site visit as part of their work on the Portland ADPN team. It is expected that this visit will produce materials that will be of value to PolicyLink and all the other cities in the network.
