

ORDINANCE No. 189506

Amend various sections of the Public Improvements Code for clarity, correction of references and consistency. (Ordinance; amend Code Chapters 17.14, 17.32, 17.34, 17.36, 17.37, and 17.39)

The City of Portland ordains:

Section 1. The Council finds:

1. The Bureau of Environmental Services (BES) is authorized as the administrative lead on eight separate Chapters of the Portland City Code (PCC).
2. BES periodically reviews its PCC Chapters and administrative rules to identify where minor changes are needed to enhance clarity, update incorrect cross-references, and improve consistency.
3. BES conducted a public review of and comment period for the proposed 2014 BES code and administrative rule clean-up package from September 26 to October 27, 2014. Public review included notice in the Oregonian, posting information on the BES website and an offer to hold a public hearing on request. No such request was made and no public comments were received.
4. There is no cost associated with these changes.

NOW, THEREFORE, the Council directs:

- a. That the proposed amendments be made to PCC Chapters 17.14, 17.32, 17.34, 17.36, 17.37, and 17.39, as outlined in Attachment A.
