Since July 1, 1993, sewer user fees have been billed to Portland ratepayers who cause or permit the discharge of sanitary sewage from a property in their possession into sewer facilities owned or maintained by the City. The Owner was billed sewer user fees for the Property from September 24, 1999 until February 20, 2019.
2. In April 2019 the Owner discovered, through an inspection of the sanitary system on their property which was performed by a private contractor, that the property is not connected to the City sanitary sewer system. The Bureau of Environmental Services reviewed documentation provided by the Owner and reviewed City plumbing records to confirm that the property is not connected to the City sanitary sewer system.
