Presenter name: Thomas Lannom

Purpose of proposed legislation and background information:

The Revenue Division of the Bureau of Revenue and Financial Services is in the process of replacing its aging, multiple tax administration software systems with a single, Integrated Tax System (ITS). To ensure the successful implementation of ITS, the legislation declares a temporary moratorium on new Revenue Division programs and significant changes to existing Revenue Division programs. The legislation will allow the Revenue Division to focus on the ITS implementation project and to minimize the potential addition and changing of project requirements.

Financial and budgetary impacts:

There are no budgetary impacts from this resolution.

Community impacts and community involvement:

This resolution has minimal impacts to the community and does not merit significant community involvement. It relates to ensuring the successful implementation of an internal project that is expected to improve compliance and taxpayer interfaces.

100% Renewable Goal:

Not applicable.
