Attention to the members of the City Council

Gentlemen:

As secretary of the Ladies Auxiliary of the
Kenton Unemployed League I have been instructed to write
you that our organization voted at our last meeting to
endorse the action of the Woman's Committee of the
Public Relations Committee of the unemployed regarding
the establishment of a home and employment office for
homeless women.

We recommend this very highly and would suggest
the City take action on the matter immediately. We further
suggest that the old government hospital, which was abandoned
when the veterans' hospital was built, be considered when
looking for a building for this home.

Very respectfully,

Marie Kison Sec.
