Presenter name: Officer Gregory Burn or his designate

Purpose of proposed legislation and background information:

This ordinance authorizes acceptance of this award. The Oregon Department of Transportation (ODOT) Motor Carrier Division (MCD) notified the City that it will award a grant in the amount of \$25,000, to be reimbursed during the grant period of July 1, 2019 – June 30, 2020.

The goal of the Motor Carrier Safety Action Plan (MCSAP) is to reduce accidents involving commercial motor vehicles (CMV) and to reduce injuries and fatalities resulting from accidents involving CMVs. On-road vehicle inspections focusing on conditions that would require the CMV or CMV operator to be taken out of service can reduce truck-at-fault crashes on Oregon highways. Because the on-road vehicle inspections would be precipitated by a valid traffic stop of the CMV, the on-road vehicle inspections may also curb unsafe driving actions of CMV operators that would be subject to a traffic citation or written warning.

The City has participated in this grant program since 2012, which supports Vision Zero.

Financial and budgetary impacts:

No local match is required for this grant program.

Community impacts and community involvement:

There are no legal or controversial issues. There is no voluntary citizen participation. There are no links to current City policies. The City and ODOT agree that inspections conducted on Interstate 205 within the official limits of the city of Portland qualify for CMV grant reimbursement.
