Purpose of proposed legislation and background information:

This ordinance amends City Code to clarify that, in accordance with Paragraph 131a of the DOJ Settlement Agreement, all use of force cases, regardless of how they are referred to the Police Review Board, will include a community member drawn from the Citizen Review Committee. The DOJ found the City to be in substantial compliance as a matter of practice. This ordinance amends the code to include this as a requirement.

Financial and budgetary impacts:

This code change is not expected to have financial or budgetary impacts.

Community impacts and community involvement:

This code change includes a requirement that all use of force cases referred to the Police Review Board will include a community member drawn from the Citizen Review Committee. This is already done in practice but likely there will be community members interested in this code change.
