

IMPACT STATEMENT

Legislation title: Authorize contract with Bio-Med Testing, Inc. for drug, alcohol and steroid testing services for an amount not to exceed \$1,244,150 (Ordinance)

Contact name: Marquis Fudge

Contact phone: 503 823 3482

Presenter name: Marquis Fudge

Purpose of proposed legislation and background information:

The purpose of this legislation is to request authorization to enter into a contract with Bio-Med for drug, alcohol and steroid testing services.

The City requires drug and alcohol testing for all employees in safety-sensitive positions as mandated by the federal DOT. Additionally, non-DOT drug and alcohol testing may be required for City employees when reasonable suspicion of drug or alcohol use exists, and all sworn members of the Portland Police Bureau are required to submit to random drug testing, which includes testing for steroids. The City currently maintains a comprehensive Drug Testing Program in order to minimize the City's financial risk and comply with federal and state regulatory requirements and the Police Bureau requirements through a contract with Bio-Med.

The current contract with Bio-Med will expire on September 30, 2019. The City is extending this contact, contact number 3004297, for another five years as Bio-Med is the organization that could best meet the City's needs.

Financial and budgetary impacts:

Council approved the contract that would not exceed \$1,244,150. Each individual bureau will pay for services received.

Community impacts and community involvement:

This action is largely internal to City government processes.

100% Renewable Goal:

Budgetary Impact Worksheet

Does this action change appropriations?
