Contact phone: 503-793-0737

Presenter name: Jonna Papaefthimiou

Purpose of proposed legislation and background information:

Appoint a URM work group as directed by City Council in June 2018. The work group is intended to develop recommendations to support voluntary seismic retrofits.

Financial and budgetary impacts:

Deliberations do not have financial impact; committee recommendations will return to Council for further discussion.

Community impacts and community involvement:

The issue of URM retrofits has engendered robust community dialogue. The proposed committee has a diverse membership and was developed with guidance from the Office of Civic Life, following an open application and selection process. The deliberations that follow will be facilitated by a diverse team of professional, neutral facilitators.

100% Renewable Goal:

Not applicable.
