

ORDINANCE No. 189789

Amend Towing and Disposition of vehicles Code to clarify when a vehicle may be towed (Ordinance; amend Code section 16.30.210)

The City of Portland ordains:

Section 1. The Council finds:

1. The purpose of the Portland Bureau of Transportation's Parking Enforcement Division is to ensure equitable and convenient access to parking in the public right-of-way.
2. The Parking Enforcement Division relies on the authority vested in City Code to enforce temporary street use permits to reserve on-street parking to facilitate, for example, loading/unloading for events, short term construction/utility work, tree trimming.
3. The Parking Enforcement Division also works closely with other City of Portland groups to complete official City business, such as Leaf Day Pickup which begins in November.
4. The proposed amendment is intended to clarify to the public when a vehicle may be towed within the meter district if the proper device or signage is installed that reserves parking spaces.
5. The proposed amendment is also intended to clarify to Parking Enforcement under what conditions a valid tow can be ordered on a vehicle in the meter district.

NOW, THEREFORE, the Council directs:

- a. Amend Code section 16.30.210, as set forth in Exhibit A.
