189 FRONT STREET,

Portland, Oregon, June 4<sup>th</sup> 1883

P. O. Box 774.

To the Honorable Mayor  
And Common Council  
Gentlemen

I have leased lot 7 - seven Block 14  
fourteen in order to prevent Chinese  
from leasing said Lot Seven - in  
Block fourteen and improving  
said lot with a brick building  
& hence in my judgment <sup>damaging</sup> ~~damaging~~ all  
Property adjacent thereto, and now  
as I propose to build upon the  
same a brick building &  
would like to use the South wall  
of Millamette Engine Co. No. 1 <sup>building</sup> belonging  
to the city, and will pay for the  
use of same what it is reasonably  
worth under the circumstances.  
Very Respectfully yours
