Thanks Karla. Someone will reach out to you about the Jan 2nd spot.

For Jan 29, the topic is:
Community Impacts by Portland Water Bureau's Proposed Water Filtration Plant

-Lauren Courter

Hi Lauren,

Sorry, City Code allows individuals to sign you up to speak **once** a calendar month.

If someone else would like to sign up for the January 2nd spot, Code requires them to submit their own request. It should include their name, address, phone, date they wish to speak, and topic.

Also, please send me your topic.

Thank you,
Karla

Karla, we'd also like the January 2 slot as well. Please keep me posted if that one needs to be rescheduled.

Thanks!

Lauren

Thank you Karla.

I will take the January 29th spot. It will be a representative from the Citizens for Peaceful Rural Living community group. The general topic will be on impacts to the community by the proposed Portland Water Bureau water filtration plant.

Hello Lauren,

We are currently scheduled to meet on Thursday, January 2nd but, Commissioner's Hardesty and Eudaly will be absent and if one more Council member turns in an absence, the meeting will be canceled. If you are signed up to speak on the 2nd and the meeting gets canceled I can only offer you the next available spot which may not be until February or March.

After January 2nd the next available date is January 29th. Communications are the first item on the official agenda and we start at 9:30 a.m. You would have three minutes to address the Council but you may also submit written material, please provide seven copies.

Communications allow the Council to hear issues that interest our community members but does not always allow an opportunity to dialogue

Please let me know if January 29th will work for you.

Regards,
Karla

Subject: City Council Communications Request

Good afternoon Karla,

I would like to request and reserve time slots for a few City council meetings. This would be for the 5 minute communications at the beginning prior to the time certain agenda items. Could you please provide me information on how to secure a time slot?

Thank you.

Regards,
