Bureau of Development Services

**Subject:** Reappointments to the Electrical Code Board of Appeal

**Recommendation**

There are currently three members on the Electrical Code Board of Appeals: Greg Kohn and Jon Coulimore, and Robert Bruene. Greg Kohn and Jon Coulimore's terms expire in September; Robert Bruene's term expires in November. There are three vacant alternate positions on the Board.

**I am recommending Greg Kohn and Jon Coulimore be reappointed to their positions on the Electrical Code Board of Appeal.** Their new 3-year terms will be from September 20, 2020 through September 19, 2023.

**Greg Kohn** is a registered engineer with active licenses in eleven states. He has had 30 years of experience in the design of electrical and security systems (approximately 60 facilities since the establishment of HK in 1997). Greg oversees the engineering of all HK designs and provides quality control services on all of HK's projects.

**Jon Coulimore** has nearly 30 years of experience in the electrical field, and is licensed in both Oregon and Washington. John is also a licensed Electrical Inspector. He is the owner of a business that specializes in commercial tenant improvements, industrial installation, and residential wiring.

The table below lists the recommendation and members for appointment along with the Electrical Code Board of Appeal position and status:

<b>Member</b>	<b>Current Status</b>	<b>Appointments</b>
Greg Kohn	Electrical Engineer	2 <sup>nd</sup> full term, ending Sept. 19, 2023
Jon Coulimore	Electrical Contactor	2 <sup>nd</sup> full term, ending Sept. 19, 2023

With these proposed reappointments to the Electrical Code Board of Appeal, all three member positions are filled and the three alternate positions remain vacant. We will continue our outreach efforts to fill these vacant alternate positions.
