ORDINANCE NO. 148998

An Ordinance amending Contract No. 18140 with Price Waterhouse & Company to increase the cost limit by \$10,000, providing for acceptance, authorizing the drawing and delivery of warrants, and declaring an emergency.

The City of Portland ordains:

Section 1. The Council finds:

1. In June, 1979, the Portland General Electric Company filed a request (U 3518) with the Oregon Public Utility Commissioner to raise electric rates for all its customers.
2. In the opinion of the Street Lighting staff and the City Attorney's Office, the effect of PGE's request would be an increase of over \$400,000 annually for street light services and the establishment of charges which unfairly assess the City's older street light system and subsidize newly installed street light systems in outlying areas.
3. The City has officially intervened in U 3518 and has entered into Contract 18140 with Price Waterhouse & Co. for financial and accounting service in conjunction with this intervention.
4. Contract 18140 established a limit of \$10,000 for such services and was awarded to Price Waterhouse & Co. after an informal bid process.
5. Price Waterhouse & Co. has provided services that meet and surpass the original needs outlined in Contract 18140.
6. Unforeseen complexities in the case, including two delays in hearing schedules, have altered the scope and duration of financial and accounting services required to complete the intervention proceeding.
7. As the City and Price Waterhouse & Co. have cooperatively developed as in-depth understanding of and approach to the intervention, it is in the City's best interest to retain the services of Price Waterhouse & Co. for completion of this intervention by amending Contract 18140 and to provide total compensation under this contract in an amount not to exceed \$20,000.

NOW, THEREFORE, the Council directs:

- a. Contract No. 18140 with Price Waterhouse & Co. is amended to increase the cost limit by \$10,000, hereby amending the cost limit from \$10,000 to \$20,000.

ORDINANCE No.

- b. The amendment will not be effective until written acceptance of the terms of this Ordinance by Price Waterhouse & Co. is filed with the City Attorney.
- c. The Mayor and Auditor are authorized to draw and deliver warrants not to exceed \$10,000 additional on Contract No. 18140.

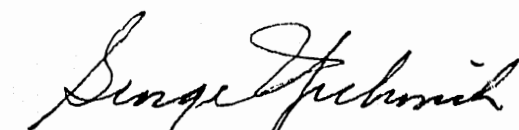

Section 2. Inasmuch as the successful completion of the intervention proceeding requires immediate response to protect the interests of the City, an emergency is hereby declared to exist and this ordinance shall be in force and full effect from and after its adoption by the Council, subject to acceptance, in form provided by the Auditor, by Price Waterhouse & Co.
