

ORDINANCE No. 149050

An Ordinance authorizing Change Order #1 in an amount not to exceed \$11,525.00 for the Transmission (Electric Power) Line for the Hydroelectric Power Project, authorizing the transfer of funds and declaring an emergency.

The City of Portland ordains:

Section 1. The Council finds:

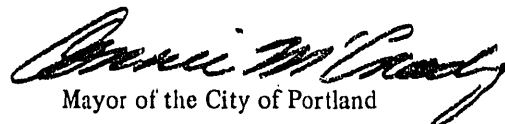

1. That additional felling and limbing of trees dangerous to the operation of the Transmission (Electric Power) Line is necessary.
2. That an additional appropriation of \$11,525.00 is needed for this work.
3. That Change Order #1 in an amount not to exceed \$11,525.00 is needed to Contract #18104 with Power City Construction (Amelco Industries) to complete this work.
4. That a fund transfer within the Hydropower Construction fund of \$11,525.00 is required.

NOW, THEREFORE, the Council directs:

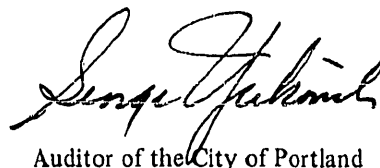

- a. That Change Order #1 in an amount not to exceed \$11,525.00 to Contract #18104, Power City Construction Co. (Amelco Industries) be authorized
- b. \$11,525.00 is transferred within the Hydropower Construction Fund #28 from BUC #642000012 (Hydropower Contingency), Expense Code 710 to BUC #64200003 (Hydropower Construction), Expense Code 630 (Improvements).

Section 2. The Council declares that an emergency exists because a delay in proceeding with the felling and limbing of the trees dangerous to the Transmission (Electric Power) Line would result in increased project costs to the City; therefore, this ordinance shall be in force and effect from and after its passage by the Council.
