Presenter name: Adena Long

Purpose of proposed legislation and background information:

This legislation will update the Parks and Recreation Board Chapter 3.27.

In October of 2001, Council passed Ordinance No. 176002 which established the Parks and Recreation Board and created City Code Chapter 3.27. It was updated once in June 2011. The Board is an advisory body made up of Portland community members appointed by the Mayor to advise the Parks and Recreation Bureau and the Council on regional parks and recreation issues.

In an effort to bring their guiding documents in alignment with the Office of Community and Civic Life bylaw template, clarify their commitment to diversity, equity, and inclusion, and update some of their administrative functions, the Board voted at their October 2020 meeting to propose changes to their bylaws and City Code Chapter 3.27.

Financial and budgetary impacts:

This legislation does not have a financial impact.

Community impacts and community involvement:

Board membership strives to reflect the diversity of the Portland community and geographic area. The Board advises the Parks and Recreation Bureau and Council on parks and recreation issues across the City and region, which includes impacts to a prosperous, healthy, and equitable Portland. The proposed changes are brought at the recommendation of the Board.

Board Chair Paul Agrimis and Vice Chair Bonnie Gee Yosick will be joining Parks and Recreation Director Adena Long to present these changes to Council.
