Re: Campaign Regulations Complaint: 2020-29-WR

Dear Louise Hansen,

Attached is a copy of your letter identifying an elections contribution complaint, The City of Portland Complaint, a copy of an email sent to me from the Wheeler campaign identifying my donation exceeding new campaign guidelines, and a copy of the check the campaign sent back to me for the same amount.

My failure to be up to date with the new campaign contribution limits was nobody's fault but my own.

If you should need to speak with me, my phone number is 503/226-3441.

Thank you,  
Warren Rosenfeld
