Dear Alan,

In these difficult times, I am especially proud to be the Mayor of Portland. I am proud to be a part of a city that so strongly values justice, diversity, and healing. I am an advocate for these values, and the structural change needed to address systemic racism and inequity.

[Your contribution today of \\$25, \\$50, or \\$100 will show that our city continues a commitment to positive, lasting reform.](#)

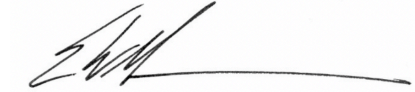

Portlanders from every corner of this city have stepped up to support this campaign. We all share a love for our city, and commitment to a sustainable, equitable future. With your support, I will continue stepping up to the hard work, in times of prosperity and also in times of crisis. These are undoubtedly trying times, but we are making smart, effective decisions that will help our city to recover quickly and equitably.

I know that in unity and with strong leadership, Portland will not just recover, but it will thrive.

We need your help to make sure Portland has this opportunity to thrive. **[Will you please give \\$25, \\$50, or \\$100 today to ensure that Portland retains strong leadership through this crisis and beyond?](#)**

There is plenty more healing to do, and tough work to be done, but we will move with hope and optimism—that we will rise through this stronger and better. I am humbled by your continued support. I am confident that I will earn the honor of continuing to serve the city we all love for another four years.

Sincerely,

TED WHEELER
Mayor of Portland
